

FOG CLEAR®

Anti-Fog
9 FL. OZ. (270 ml)

FOG CLEAR is a tried and proven glass treatment to combat interior fogging, steaming and misting of windshields, side & windows and rearview mirrors when driving in wet or cold weather.

FOG CLEAR fills the microscopic pores of glass with an invisible moisture-absorbent barrier that prevents condensation and promotes clear visibility and driving safety.

FOG CLEAR also dramatically reduces the adhesion & buildup of vapors from automotive air conditioning & ventilation systems, plasticizer leaching and ambient soil. It is a storage-stable, solvent extended flammable liquid containing specially denatured ethyl alcohol.

PROPERTIES

- Active Ingredient: Glycol & Polysiloxanes
- Flash Point: 19°C = 66°F (TAG Open Cup)
- Odor: Mild (Ethyl Alcohol)
- Color: Clear, Colorless liquid
- pH: 7 (when diluted with water)
- Viscosity: Consistency of alcohol
- Specific Gravity: 0.802
- Abrasives: None
- Storage Stability: Minimum 2 years
- Weight per Gallon: 7.7 lbs.
- Freeze/Thaw Stability: Excellent
- Packaged: 10 fl. oz., 1 gal., and 54 gal. containers

DIRECTIONS FOR USE

Apply a small amount of FOG CLEAR to a folded cloth or paper towel and wipe across the fogged surface. Allow to dry. After drying, any haze or smears can be removed by wiping the surface with a damp paper towel or by sprinkling the surface with water and wiping up with a paper towel. Re-apply as needed to maintain fog-free condition.

PRECAUTION

Flammable – Eye Irritant – Do not expose to flame or store at temperatures above 120°F. Avoid eye contact. Contains ethanol. If contacted with eyes, flush with water for 15 minutes. If irritation develops, see physician. Keep out of reach of children
