

RAIN CLEAR®

Rain Repellent 9 FL. OZ. (270 ml)

RAIN CLEAR is a tried and proven rain repellent coating for windshields and side & rear windows of vehicles to improve visibility & driving safety in rain, sleet or snow.

RAIN CLEAR imparts an invisible, but extremely durable, water & soil repellent coating that makes rain “bead” into small droplets that are swept away by aerodynamic wind flow.

RAIN CLEAR also dramatically reduces the adhesion & buildup of frost, ice, salt, mud, insects and road grime for easy removal.
