

## REPEL® WINDSHIELD WASH CONCENTRATE 16 FL. OZ. (480 ml)

REPEL™ Windshield Wash Concentrate is a new 2-in-1 Glass Cleaner & Rain Repellent Technology. It makes the ultimate windshield washer fluid when added to water and when used as a booster to any freeze protected windshield wash during winter driving.

REPEL is user friendly, practical and extremely economical! It makes 8 gallons of washer fluid... right in your car's washer reservoir. It saves money, lugging & recycling of plastic gallon containers.

REPEL cleans windshields to a streak-free shine & removes mud, bugs, salt and road grime.

While cleaning, it also leaves a durable nano-scale water repellent finish on auto glass which repels rain, sleet, snow on contact for improved visibility & driving safety year round.
